

## Nebra

Amber-colored top-fermented beer, bottle conditioned.

**Appearance:**

its white, compact and persistent head is immediately noticeable; delicately sparkling. Amber colored, without suspended yeasts; fine perlage.

**Bouquet:**

it offers soft aromas of white flowers, caramel and lastly a gentle spiciness.

**Flavor:**

delicate with a lingering aftertaste that is extremely pleasant in the mouth.

**Type of beer:**

amber-colored beer

**Alcohol content:**

8 %

**Excellent with:**

on its own and on any occasion; also excellent at the end of dinner with a delicate, hard biscuit.

**Serving temperature:** 8-10 °C
